

Introducing...Managed HR Services from Payroll Network.

The world of human resources is constantly changing. How do you stay on top of the new laws and regulations? How do you protect your business from costly lawsuits? What are the best practices for hiring? Where do you look for support?

With **Payroll Network's NEW Managed HR Services**, you now have a reliable resource to turn to with questions – 24 hours a day, 7 days a week. Our Online HR Support Center offers you reliable HR tools and information you can put into practice immediately to help protect and grow your business...all for less than \$1,000 per year.

Got a tough situation that needs an expert? Ask a Pro. As part of the Managed HR Service, you can have UNLIMITED phone access to a certified HR professional who can work with you one-on-one to resolve your issue. Experts in their field, they help you get the answers you need.

"The HR Support Center is always a great source of knowledge, experience and resources!"
Sherry Meidinger, HR Director, Napster

"The HR Pros are understanding, give good advice and are there when we need them. The information on the web site is there day or night."
Brian Martucci, CFO Berberian Mercedes/Volvo
